Memberships offer huge savings!! Some members may visit us over 20 times a year, with many people calling in for an hour or so after work or school in addition to days out. For example, membership for a family of four would cost under £100 (even less if the children were aged Under 4). Without membership and based on 20 visits a year it would cost £600. That's over a £500 saving!! Kent Life, offering family fun you'll remember.
